

Dassault Falcon 2000LX

The Falcon 2000LX offers the range and widebody cabin of a Large Jet combined with the operating economics of a Super Midsize aircraft. Non-stop intercontinental flights from North Carolina to London, Paris, Anchorage and much of South America are possible. The widebody interior of the Falcon 2000LX allows passengers to enjoy plenty of personal space and creates a productive and restful journey.

Passengers will enjoy broadband WiFi Internet, a luxurious bar with ample refreshments, beverages and other exceptional amenities. A full size lavatory and aft pressurized baggage compartment are easily accessible in flight. The Falcon 2000LX includes a state of the art space age cockpit equipped with the latest Falcon technology.
